MINIX®

Thank you for purchasing NEO A3.

Easily control your MINIX Media Hub for Android with NEO A3 wireless air mouse.
Every aspect is designed to make commanding your entertainment easy, using the latest six-axis gyroscope technology and featuring a dedicated multimedia keypad.

Enjoy the convenience of voice input when using the built-in microphone, giving you immediate access to information and content.

A full keyboard on the reverse side, in a familiar layout provides hours of typing comfort. Solid build with large, carefully crafted keys means browsing the web, chatting with friends and more, are completed with absolute ease.

- Battery requirements: 2 x AAA batteries (not included)
- Operating range: 10 meters (5-7 meters for infra-red power button)
